Sigma Chi and Sigma Nu Are Basketball Champs

The Deciding Game for Championship Will Be Played Thursday and Friday

The intramural basketball season closed officially last Thursday evening with two games between Sigma Chi and Lambda Chi of the South League. Sigma Nu and Commons Council, of the North League. These games decided the championship of each league. Sigma Chi won the honors in the South League by defeating Lambda Chi 16 to 15 and Sigma Nu captured first place in the North League by nosing out the fast Commons Council team by the score of 16 to 9. The Sigma Chi and Lambda Chi game was one of the best of the intramural games this season. It was a very interesting game to watch, nip and tuck all the way. The score was not decided until the last few minutes of play when O'Reagan, Sigma Chi shot the basket from a free try that won the game. The game between Sigma Nu and Commons Council was very close in the first half. The Commons team led at the close of the period with the score 9-8 in their favor but the Commons team seemed to have lost their eye for the basket and failed to keep up the hot pace against Sigma Nu.

A postponed game was played between S A E and Beta last Saturday afternoon, the Beta's winning by a score of 8-2. The game scheduled between Sigma Chi and Phi Kappa Sigma was forfeited to Sigma Chi. Theta Chi and Commons Council played their postponed game Tuesday evening, but as yet the score is not determined. The championship games between the two leagues will be played Thursday evening and Friday evening between the halves of the Portland A. A. and Maine teams. If necessary a third game will be played Saturday afternoon to decide the championship.

Track Meet Is Next Of Intramural Events

The schedule for the Intramural Track Meet is as follows:

February 19, Field Events of Intramural Meet at 1:30. Running (Br) High Jump and Shot Put will start promptly at 1:30. Broad Jump and pole vault will follow immediately.

February 26, track events of intramural meet at 1:30. Order of event will be posted on the bulletin board in Alumni Hall. These events and their order will be the same as last year. Points in the track meet and field events will be counted 5 for first, 3 for second, and 1 for third. The track and field events only count for the Rice Cup.

March 5, Intramural relay meet, each man running three laps. Varsity letter men are barred. This meet will start promptly at 2 o'clock. Four teams will race at one time, unless there are less than fifteen entries in which event a new grouping will be made. The groupings for the preliminary races will be announced before February 26. Finals in which four teams will run will be held one half hour after the finish of the last preliminary race.

Round Table Holds Interesting Meeting

The Round Table met at Balentine Hall, Tuesday afternoon, February 8. After the business meeting, Miss Laiten, district nurse, gave a most interesting and valuable talk. Her subject was Tuberculosis. A quartet composed of Edith Twitchell, Ruth Dyer, Marion Orcutt, and Elsie Perry, and accompanied by Frances Dunning, rendered delightful music. Mrs. Louise Thompson read a few selections which were thoroughly enjoyed. Refreshments of iced tea and crackers were served during the social hour which followed.

Dean Stevens gave a lecture at Old Town last week on Charles Dickens.

Students Favor a Compulsory Chapel

Wednesday of last week, a student chapel was held in order to find what the sentiments of the students were on the subject of compulsory chapel. Bill Cobb gave a short speech at the beginning, telling how he, as one of the older men, felt about the matter, then introduced the various speakers in turn. "Hep" Pratt recommended compulsory chapel as the only way to bring the University back to life, and remarked that some of the students did not even know that the track team had gone to Boston until they heard the whistle on Sunday morning. "Pep" Towner gave a report on the financial condition of the Athletic Department to show that it is not in such a prosperous condition as popularly imagined. He suggested that money be raised in some way to supply entertainment for the athletic teams and for incidentals which the state could not be expected to support. "Freddie" Jordan, the last speaker, offered a way to raise the extra money, namely a Minstrel Show, which, he considered, should be made an annual affair. He announced that Mr. Nolan was to arrive during the week, and urged the men and women of the University to do their best to make a success of the show.

During the program, papers were passed around that students in favor of chapel might sign their names.

Mr. Nolan Gives the Minstrel Show a Start

Rehearsals for the A. A. Minstrel Show, which is to be given March 18th and 19th at the Bangor Opera House have been going on the past week under the direction of Mr. Nolan.

A large number of candidates attended and it is hoped more will present themselves as a large part of the cast is as yet unselected.

Harry Belyea, a transfer from Cornell, and a man widely experienced in theatrical work has kindly offered his services as stage manager, and rehearsals will be under his supervision until the return of Mr. Nolan, March 5th.

Rehearsals will be held every night at seven-thirty in the chapel. Candidates are urged to be present and help make this Minstrel Show the best possible and provide that this become a permanent institution in the future.

The committee in charge is: Emily Kritter, Balentine Hall, Eleanor McCusker, Balentine Hall, Fred T. Jordan, S A E House, Evans B. Norcross, Phi Gamma Delta House, Adrian Ackley, Phi Eta Kappa House, Harry Belyea, Beta House.

Veterans of Foreign Wars to Give Dance

It is generally admitted by such eminent politicians as "Mac" MacBride, "Pep" Towner, Prof. Toelle and others that the war was won by the boys overseas, and having finished this job they are going to put on a dance Friday, February 25th that will force everyone to think that the Veterans of Foreign Wars are real live wires on the campus.

This is to be a benefit dance and the proceeds will go towards a fund for the establishment of a suitable memorial in honor of the men from the University of Maine who gave their lives in the service of their country.

The music will be furnished by "A1" Johnson's orchestra.

The committee in charge consists of Harkness, S A E House, Libby, S N House, and McKenney, A T O.

The Mathematics Club has a meeting Wednesday evening at seven o'clock in 24 Fernald Hall. During the meeting Mr. Howell will speak on mathematics as applied to gunnery. Everybody is invited to come.

The Sophomore Owl Dance is coming Saturday, February 26.

Invitations Sent for Interscholastic Meets

Basketball To Be Held March 24-25-26. Track Meet, May 21

The following letters were sent to all preparatory schools in the state. It is planned to make these two events determine the state interscholastic championship in basketball and track.

February 1, 1921

Dear Sir:

It is planned to run a tournament, in Alumni Gymnasium, Orono, to decide the Interscholastic Basketball Championship of the state. The preliminaries will be run off during the morning, afternoon and evening of March 24; the semi-finals will be run off during the afternoon and evening of March 25; the finals will be run off during the morning and afternoon of March 26.

A team, defeated once, will be eliminated from the tournament.

The games will be played under the Official Basketball Rules of the Joint Rules Committee.

The plan is to have each county, of the state of Maine, represented, at this tournament, by its champion interscholastic basketball (all preparatory schools considered on equal basis in laying claim to the interscholastic championship of their respective counties).

Those schools, laying claim to the interscholastic basketball championship of their county, should communicate with the undersigned, not earlier than March 7, nor later than March 12, stating their claim and their reasons therefor, enclosing the season's record (teams played and scores made). All claims will be considered very carefully, and the teams, selected to represent their respective counties, will be notified during the early part of the week, beginning March 14th.

The teams will be taken care of at the fraternity houses of the university (board, room, etc.). The athletic staff, at the university, will officiate the games. The cost of transportation must be borne by the team making the trip.

A cup will be awarded to the team winning the championship; a cup will also be awarded to the team winning second place.

Any inquiries will be promptly answered.

Similar tournaments are run off in many other states, progressive in physical education, and it is hoped that this plan will meet with your approval and co-operation.

Respectfully,

James Baldwin,
Director of Physical Education and Athletics

President Aley Makes Address to Students

The chapel exercises held in Alumni Hall, Friday were dedicated to the memory of Abraham Lincoln. President Aley presided at the exercises and delivered a stirring address, paying a sincere tribute to Lincoln's character and accomplishments. He related during the course of his speech the many hardships which Lincoln was obliged to undergo before he was able to mount the ladder to success and fame. Dr. Aley told several anecdotes concerning Lincoln's early life and his later achievements, which served to illustrate his sterling character, his kindly and generous nature, and his strict honesty. He then emphasized especially the sound judgment and wonderful analytical power of Abraham Lincoln, as exemplified in his management of affairs during the greatest crisis in the history of the United States.

Election of Football Manager Next Week

The following men have been duly nominated for Manager and Assistant Managers of varsity football.

For manager: Carl R. Oakes.

For assistant managers: F. P. Dobbins, D. W. Hoyt, R. S. Plummer, O. S. Norrell, A. C. Roberts, L. H. Steward, H. G. Young.

The election will be held on Thursday Feb. 24, 1921 from 1 P. M. to 5 P. M.

Stevens Institute has started a million dollar endowment campaign. The General Education Board has granted \$250,000 under similar conditions as the amount granted Tech.

In one of the fatdest and most exciting games played at home, the Maine team defeated the fast New Hampshire State team by the score of 27-25.

The old Maine spirit was much in evidence; the gym being packed with loyal supporters who went wild when the basketball team atoned for the football defeat, last fall, by New Hampshire.

New Hampshire started the game with their second team but was unable to hold the Maine boys who were full of pep and fight combined with perfect team work. New Hampshire's first team was sent in about the middle of the first period after the Maine team had played rings around their second-string men. The new combination displayed a better brand of basketball but the Maine team kept going and at the end of the period the score stood 16-13 in favor of Maine.

Both teams had the same line-ups in the second period as at the end of the first. In this half, both teams played wonderful basketball and the score was tied and retied. With but two minutes to play New Hampshire led, 25-23, but Berg on two free tries evened the score and Holmes in the last minute of play, shot the winning goal.

Student Rifle Team Wins from Faculty

The match between the Faculty and Student Rifle Teams, on February 4, resulted in victory for the Student team.

The agreement was for the five highest scores to count as the winners of the competition; and the students held the five highest honors, although the total score for the faculty was higher than that of the students.

Officer John H. Kidney was the judge of the contest, and under his very able coaching both teams have progressed rapidly. Mr. Kidney is confident that with a little more practice and experience, both teams will be in shape to defeat any team in the country.

Editorial

It is not difficult for any of us to recall a time when Washington's Birthday meant the formal beginning of spring. We used to blow horns and build bon fires as much from the joy of the new season as out of love for the memory of our patriot. The old favorite holiday is very near at hand and it would be a fine thing if we could all feel that old child-like joy in the birth of a new season. We need more than ever to arouse ourselves this year because for some reason the spirit of good fellowship has been missing.

When a crowd of friends walk home together or back and forth from classes in company what do they usually talk about? They have only a few minutes, but they use them to crab about their ranks or run down a few of their profs or grouse about the weather or argue over the need of more activities on the campus. That means that we haven't just the right spirit. The gloom jinx has been having too good a time, but winter is his rushing season and his popularity will die with the coming of spring.

Let's make Washington's Birthday not only a holiday in memory of our country's father, but let's make it the glad day that ushers in the new season. With the entrance of spring, let us bounce that gloom jinx off the campus—no more crabbing, no more grouching. There will be more activities and more to plan for. The baseball season will be opening and in order to make it successful we must begin now to brighten up that old Maine spirit we are all so proud of even though we have permitted it to grow a little rusty.

Remember the chapel Friday. You all voted for it but you seem to want to delegate attending it to some one else. Picture yourself speaking to a lot of empty seats and then think of the speaker. The only remedy is for everybody to go.

It would be a sign of courtesy if students would refrain from using the gymnasium during chapel.

As Commencement Week is the big time in the year for the seniors and Junior Week for the juniors, so the Sophomore Hop should be the big time for the sophomores and the Freshman Banquet for the freshmen. You would laugh to hear of a senior who didn't go to his own commencement. But why not laugh at the freshman who doesn't go to his own banquet or the sophomore who doesn't go to his own hop?

An honor system, drawn up by the Women's League, was voted down by a large majority of the members of the Student Council of the University of Cincinnati. The greatest opposition was shown by the students of the engineering and medical schools.

FRATERNITY NOTES

SIGMA ALPHA EPSILON

Among the guests entertained at the Chapter house Sunday were: Mrs. Merrill, Misses Merrill and Chadburn, and Charles J. Johnson. The afternoon was spent socially and the house orchestra rendered some fine selections throughout the afternoon.

Earl Tracy has registered up for this semester.

PHI GAMMA DELTA

Mr. John J. Jordan stayed at the house while he was on the campus organizing the A. A. show.

Mr. Roy Atkinson of the *Boston Post* was a visitor at the house Saturday.

"Bub" Herrick just had to make a week-end trip to his home in Brewer.

Several of the fellows have been receiving valentines from various sources.

"Ray" Wass seemed to be rather happy for a change Friday. We wonder why.

PHI ETA KAPPA

Sid Winchester '11 visited the old headquarters last Wednesday.

The Intramural A. A. met at the house Wednesday evening, Feb. 9.

Mr. Phillips formerly of Maine visited the house Wednesday.

The sleigh ride was changed into an informal house party which was held last Saturday night. Thirty couples were present. The music was furnished by O'Hara's orchestra of Bangor. There were sixteen dances on the order and the dancing continued until midnight. Miss Hopkins chaperoned the party. Refreshments were served in the various study rooms during intermission.

Miss Larracy of Rumford was among the guests who attended the house party last Saturday evening.

ALPHA OMICRON PI

The Alpha O's are glad to welcome two new sisters, Beatrice Cleaves '23, Bar Harbor, and Lorette Clutier '24, Waterville.

Polly mith '22 recently spent a few days at her home in Houlton.

A valentine dance was held Friday evening in Mayo's Hall by Gamma chapter. The hall was prettily decorated in red and white. Valentine hearts and favors were much in evidence. One of the features of the evening was the lollypop dance. Mrs. Estabrooke and Mrs. Cleaves acted as chaperones. The music for the evening was furnished by Davis' orchestra of Bangor.

LAMBDA DELTA

The Lambda Delta fraternity gave its first dance, Saturday evening, Feb. 12, in United Commercial Travelers' Hall Bangor. The hall was attractively decorated with the fraternity banners. Music was furnished by O'Brien's orchestra. Mr. and Mrs. A. L. T. Cummings chaperoned the party which consisted of fifteen couples.

LAMBDA CHI ALPHA

An informal party was held at the house Saturday evening, Feb. 12. The rooms were prettily decorated with flowers. A three piece orchestra provided music for the dancing. Professor and Mrs. Simmons chaperoned the party. Ken Woodbury '23 was in charge of the affair.

PHI EPSILON PI

A dance is to be given Tuesday evening, Feb. 22, at Clark's bungalow, Hampden.

The house relay team consisting of Cohen, Zysman, Fisher, and Cohen is working out daily in preparation for the coming inter-fraternity meet.

The Freshman Smoker was held at the house Wednesday evening, Feb. 16. Phil Kaminsky '24 has left college and has entered the employ of the Outlet Clothing Co. Bangor.

PI BETA PHI

Pi Phi announces the pledging of Christine Peterson '24 and Cora Meservy '24.

BETA GAMMA

Beta Gamma announces the pledging of Irene Guppy '24.

THETA CHI

Pat Cooney was in Milo over the week-end.

Cecil Horsman is able to be about after a serious illness.

Waino Endholm, Colby '24, was a week-end visitor at the house.

SIGMA CHI

The house basketball team finished the series with a clean slate, winning from Phi Gam and Lambda Chi this past week. Both games were close and exciting, but the one with the latter team was one of the cleanest and most thrilling games of the season. The score was 16-15. This gives the house team the championship of the southern league.

Hap Patterson and Squawk Weeks, who have been at their homes because of illness are expected back Thursday or Friday.

"Crick" Crocker spent the week-end at his home in Foxboro, Mass.

"Mike" Foley is away on a business trip this week.

The house is honored with another pedagogue, Richard Howell, instructor in Solid Geometry.

KAPPA SIGMA

Mr. L. V. Crocker, president of the National Survey Company, was the guest of Bus Walker at dinner Tuesday.

Plans are being pushed forward in preparation for the house party to be held Saturday evening.

William Butler, the New Hampshire State center who played here Friday night was at the house during his visit.

Mr. Alfred Look, Bowdoin '20 was the guest of Clyde Vining Thursday.

DELTA TAU DELTA

An informal dancing party was held Saturday evening at the Delt House. A five piece orchestra played for an order of fourteen dances. Ice cream and fancy crackers were served at intermission.

Library Work Offers Much as a Vocation

The American Library Association has sent out circulars to the larger colleges and universities, to urge the students to plan for library work as a vocation, and to take the best training possible. College graduates are in great demand in libraries, especially if they have had a year's work in a library school. In Simmons College (Boston), and in some other places, it is possible to combine the library course with the college work for the bachelor's degree. For those who cannot afford to spend a year in library school, there are opportunities to take the apprentice courses in some of the larger libraries. In Detroit and Cleveland apprentice students are paid for work done in the library during the course.

One reason why there is such a dearth of trained librarians is the fact that many banks, factories, laboratories, and business houses are demanding trained librarians to organize libraries for their officials and workers, so as to provide for them the technical literature of the business or trade, as well as some recreational reading.

In business houses the librarians' salaries are somewhat better than in public or college libraries. Graduates of the one-year course at the Pratt Institute Library School last year, going in to all lines of library work, received an average beginning salary of over \$1300. As these were not all college graduates, the salaries seem to compare favorably with those given in teaching.

If there are any students who are interested in library work, Miss Bowler or Mr. Walkley would be glad to talk with them about such work.

If you wish compulsory chapel, attend voluntary chapel.

In not turning up her nose
But just simply turning round the other cheek.

Princeton's daily paper, the "Prin-
cetonian" has been compelled to reduce
the size of its edition from six to four
pages. It was found that the paper in
its former size was difficult to handle
at the press, and that it was too large
for the daily news of the institution.

Alumni Notes

Walter A. Cowan, a former Winter-
port attorney, and for two years attor-
ney for Waldo County, has entered into
partnership with Ransford W. Shaw of
Houlton, attorney general of Maine.
Mr. Cowan was born in Palmyra, was
educated at Maine Central Institute
Bates College, University of Maine, and
the Maine College of Law. He began
the practice of law in Winterport soon
after his admission to the bar, remain-
ing there until last June when he moved
to Hallowell. Mr. Cowan is a Republi-
can and was a candidate last fall for
the office of attorney general. He
served in the Legislature of 1919 as a
representative. Mr. Cowan has already
begun his work in Houlton.

Harold M. Carr '02 of Rochester, N.
H. has recently been a visitor at his old
home in Guilford, Maine. Mr. Carr is
superintendent of a woolen mill in
Rochester. While he was in college he
was a member of the varsity baseball
team.

Cecil D. Chamberlain '78 of Eberlain,
Northern Dakota, is the senior member
of the lumber concern of Chamberlain-
Wallace Company of Eberlain. Mr.
Chamberlain has been in the west ever
since he graduated.

Billie Bisbee '21 was a week-end visi-
tor at Mt. Vernon.

George Levenson '19 recently visited
friends on the campus.

Common's Council Dance Was Held Saturday in Gym

The Commons Council dance was
held in the gymnasium Saturday eve-
ning, February 12. The hall was very
artistically decorated with streamers and
red, white, and blue lights. In one
corner of the gymnasium was a booth
where many "M" books were displayed.
During the evening a shower of tiny
heart-shaped valentines fell upon the
dancers. At intermission refreshments
of ice cream, cookies and punch were
served.

There were about thirty couples pres-
ent and "Al" Johnson's orchestra furn-
ished the music.

The chaperones were Mr. and Mrs.
Charles A. Brautlecht, and Mr. and
Mrs. Louis J. Waldbauer.

The committee in charge of the dance
was: My Thurrell, Unk Underhill and
Chubby Holt.

LAW

THE BOSTON UNIVER-
SITY LAW SCHOOL

Trains students in the principles
of the law and in the technique
of the profession so as to best
prepare them for active practice
wherever the English system of
law prevails.

America's new place in inter-
national politics and com-
merce challenges the young
American.

He must equip himself for
new world conditions with a
knowledge of legal funda-
mentals.

LAW—Its principles and ap-
plication to all business is
almost as necessary to the
coming business man as it is
indispensable to the lawyer.

Special scholarships (\$75 per
year) are awarded to college
graduates.

Course for LL.B. requires 3
school years. Those who have
received this degree from this or
any other approved school of
law may receive LL.M. on the
completion of one year's resident
attendance under the direction of
Dr. Melville M. Bigelow. Several
\$25 and \$50 scholarships open in
this course.

Sigma Nu House Party To Be Given on Friday

Plans for the Sigma Nu house party
are near completion. A formal dance
will be held Friday evening. On Sat-
urday the party will be informal and
will consist of sleigh rides and dancing
with a cabaret in the evening. Sunday
will be spent about the house and on
Monday evening the members of the
fraternity other than freshmen will at-
tend the Sophomore Hop. The fresh-
men will attend the Freshman Banquet.
Decorations and lighting effects are in
charge of Baldy Baldwin while Captain
Whitehouse is chairman of the general
committee. Davis' Jazz Orchestra will
furnish music. The committee has made
arrangements for 35 guests from away.
Dr. and Mrs. C. W. Maxfield will
chaperon the party while several of the
boys have invited their parents to as-
sist in the fun-making.

Dean Hart wishes to denounce the
rumor which has been heard on the
campus, that over one hundred students
were dropped from the University at
the end of the first semester. There
were only five dropped from the upper
classes, and twenty from the freshman
class.

There is one college student for
every 212 people in the United States,
according to a report presented by the
Commission on the Distribution of
Colleges presented at the recent meet-
ings of the Association of American
Colleges in New York City. Five hun-
dred thousand students are enrolled in
American institutions of college grade.
The growth of high schools is propi-
tious and a larger proportion of high
school students goes to college every
year.

Undoubtedly we shall see a larger
college attendance in the years ahead,
but we need not react too violently from
complaint and criticism over the excess
of colleges to the alarm that the nation
is going bankrupt for college opportuni-
ties.

It is sufficient to conclude that there
is a field for every college reasonably
well located and adequately equipped
and supported for good college work;
together with a reasonable number of
new institutions in regions of large
growth in population or which are es-
tablished to meet special needs and that
an important task for the nation is to
strengthen the weaker colleges until
they are fitted to take their share of
the work of educating America's youth
in a worthy manner.

Of the 673 colleges reported in 1917-
18, 495 had less than 500 students, 252
had less than 200 students. Only 178
had 500 students or over. Contem-
plating a probable increase in enrollment
of 40,000 students a year, which perhaps
is a reasonable estimate, we may con-
clude that the developing of existing
institutions can provide for future
needs. We have enough colleges, if
they prove to be properly located, says
the report.—*Boston University.*

Towel Charge Latest—Not Included
in Tuition—Leading Students Refuse
to Wash Faces—Drastic Action May
Ense.

In order to prevent the extravagant
use of water, college authorities are re-
ported to refuse to include the new
towel fee in the second semester tu-
ition, despite protests to the contrary.

Leading students, however, are lead-
ing the opposition and are arguing that
the leading difficulty is that you may
lead a student to water but you can not
make him wash.—*Boston University.*

A double-header with the University
of Virginia will open Princeton's 1921
baseball schedule, which is now nearing
completion. Manager Zabriskie has
stated that 28 or 29 games will be
played, and that the schedule will con-
tain a southern trip.

T. A. D. Jones has accepted the ap-
pointment to coach the 1921 football
team of Yale University. He coached
the 1916 team at Yale which succeeded
in defeating both Harvard and Prin-
ceton. His contract covers a period of
five years.

At the last meeting of the Athletic
Association it was voted to send a re-
lay team to the University of Pennsylv-
ania Track Meet.

Over ten thousand students in Ohio
colleges and universities voted on the
dry issue in the November election in
that state.

Old Scroogs, Dickens' famous char-
acter, is probably the most famous hater
of Christmas in the world.

"Christmas—Bah!" said Old Scrooge.
But there are thousands of men,
women and children in this country
who "Bah" with Scrooge either before
or after Dec. 25. Scrooge hated Christ-
mas because he neither gave nor re-
ceived the right things in the right
spirit. He has imitators for the same
reason.

The object of Christmas giving is to
make those to whom you give happy.
That is the only way you can make
YOURSELF happy. You cannot make
those you care for happy by ill consid-
ered gifts. If your gift means nothing
except a package tied with red ribbon
with holly wreathes on it, it is value-
less either to the giver or the receiver,
no matter whether its wrappings cover
a diamond necklace or a fifty cent
necktie.

To give real Christmas gifts you
must put thought as well as money in-
to them—thought for the welfare and
profit of the future as well as pleas-
ure for the moment.

Such gifts are not hard to find. You
can give comfort, independence and
protection for the future by choosing
Government Savings Securities for
your Christmas gifts. They are adapt-
able to any purse, large or small. They
will convey not only immediate pleas-
ure of a thoughtful gift, but they will
continue as an aid and inspiration for
the future.

They will never deteriorate in value
but will grow in value as time goes on.
With them you can give character and
contentment. And whether your gifts
be 25 cent Thrift Stamps, \$5 War Sav-
ings Stamps or a \$1,000 Treasury Sav-
ings Certificate, they will carry to the
recipients the good wishes for happiness
and future prosperity WHICH THEY
CAN MAKE COME TRUE.

The State Hospital soon to be erected
on the campus of the University of
Wisconsin will be the largest building
there. The cost is estimated at \$600,000,
and will be operated in connection with
the medical school.

Columbia has a registration of 31,000
students, an increase of thirty-five per
cent. over last year. This makes Colum-
bia the largest educational institution in
the world.

The Republic of Venezuela has been
invited by the School of Foreign Ser-
vice, Georgetown University, to send
two students for one year whose edu-
cation for that year will be free. This
is an acknowledgement of the courtesy
of the Venezuelan government towards
the American students sent to Vene-
zuela, by Georgetown, to study foreign
languages and foreign trade first hand.
The students' expenses were paid by
the Venezuelan government.

October saw the start of a campaign
by Ohio State University to raise a
fund of \$1,000,000.00 to build the Ohio
Stadium. Plans for the structure dis-
close the following:

The seating capacity will be 63,000—
2,000 more than the Yale Bowl.

The upper tier of seats will accom-
modate 21,000, the lower tier 42,000, in-
cluding the boxes seating 1,700.

The structure will be 107 feet high
and the distance around the outside
will be more than a third of a mile. It
will cover 150,000 sq. feet.

Tickets can be had at 83 entrances.

Circulation facilities will enable the
stadium to be emptied of a capacity
crowd in seven minutes.

Y. W. C. A. Meeting of Last Week Postponed

The regular meeting of the Y. W. C. A. which was to be held Sunday evening at Balentine Hall was postponed on account of the illness of Mr. Cummings who was to be the speaker of the evening. In the place of this meeting a Y. W. "sing" was held in each of the girls' dormitories.

Maine Defeated New Hampshire State 27-35

(Continued from Page One)

THE GAME BY PLAYS

Berg scored the first point of the game on a free try. Craig followed up by a basket for N. H. Craig was taken to account for running with ball and Berg scored again. Maine worked the ball down under the N. H. basket and some clever team work took place. Maine completely outplaying New Hampshire. During the fast passing of the ball, McKelvie, N. H. center, tossed the ball into his own basket scoring two points for Maine. Berg on a free try, failed but Turner got the ball and shot a goal. Turner quickly followed this goal by another as a result of a pass from Capt. Coady, the Maine team was going strong, and worked the ball down the floor and Turner made his third basket. The New Hampshire coach seeing that his second-string men could not hold the Maine basketballers put in an entire new team. The fresh N. H. team started in strong getting four baskets in a short time but the Maine boys were still full of pep and played a fast game. Berg on a free try, scored. Turner shot a pretty basket making his fourth tally. Capt. Coady worked the ball down the floor and tossed a basket. Perry, who took the place of Dutch Connor, on a free try, scored. Berg duplicated. Andersen, New Hampshire's rangy center, scored the last goal of the first half. The score stood 16-13 in favor of Maine.

The lineups were the same for the second period. Berg made the first three points on free tries. Perry scored on a free try. Turner and Coady brought the ball up the floor and Coady scored. Anderson who played a fast game, now scored for New Hampshire. N. H. scored two points on free tries. At this stage of the game, Capt. Coady who was playing a hard game came into collision with N. Hampshire's right back, Sherwood, and was laid out for a couple of minutes. Coady pluckily returned to the game. A foul was called on Sherwood for this but Berg failed to score. Berg scored on a free try as a result of a foul on Andersen. Butler, New Hampshire's left forward, who was playing a remarkably good game, made a basket. Berg on two free tries made one good. Perry on a free try, scored. Perry dribbled the ball the length of the gym and scored a basket. Berg as a result of a personal foul on Perry made another point for Maine evening the score to 23-23. Perry intercepted a pass, Coady Berg and scored putting New Hampshire in the lead.

With but two minutes to play, Berg scored two points on free tries, tying the score. With the Maine supporters on their feet, madly cheering for a victory, the Maine team worked the ball down the floor with clever and fast passing and Holmes being unguarded for a moment shot the ball into the basket.

Candidates Called for Fresh. Soph. Debate

All men interested in trying out for a Sophomore-Freshman debate to be held on the campus, hand in their names to Prof. Mark Bailey before March first. Tryouts for this debate will be held about the middle of March.

Before the war Maine always had an excellent debating team, and we must get this activity back, as it means fine experience and a number of good trips if a team is started again.

Remember the Sophomore Hop next Monday night.
